

Partnership In Safety

When it comes to safety, AWP puts the active in proactive. We train our people to predict danger and identify risks before they occur. We partner with our customers to help them work more safely, too. Our safety record allows us to carry industry-leading liability coverage on every job, giving you greater peace of mind. We are more than a vendor. We are your safety partner for traffic control, protecting your people, your business and your time.

AWP's Safety Program

CARDINAL TRAFFIC CONTROL SAFETY RULES

Mission: Eliminate fatalities, injuries and at-risk behaviors

- Hazard assessment
- Visual/audible traffic control PPE
- Qualified traffic observer

NEAR MISS – GOOD CATCH PROGRAM

Mission: Promote open reporting and measure would-be accidents

- Nearly 49,969 entries YTD for 2021
- Safety front-and-center at all times
- Encourages reporting with no fear of punishment

GPS DRIVING SAFETY PROGRAM

Mission: Sustain best-in-class driving safety performance

- AWP meets/exceeds benchmark score of 90 (insurers use 70 as safe score)
- Use Azuga GPS to measure and improve driver safety
- GPS technology has driven down accidents 85%

EMPLOYEE SAFETY/LEADERSHIP PROGRAMS

Mission: Build team safety skills and invest in our safety culture

- Team member-led committees provide training, mentoring and leadership development
- Safety Bonus Program awards Protectors for remaining accident and injury free
